

Avery Dennison[®]

PPF Squeegee Pro Series

PPF Squeegee Pro Rigid and Pro Flex

Optimised for Avery Dennison's Supreme Protection Film Range

The PPF Squeegee Pro series is available in two convenient sizes. The squeegees are also available in a rigid construction (Blue) or a flexible construction (Red) for applicators to choose depending on their preference.

When applying Paint Protection Film the correct squeegee is critical to achieve the optimal result.

Our new Avery Dennison PPF Squeegee Pro Series has been tested in collaboration with installation experts to deliver optimal surface contact. This enables installers to achieve the correct install pressure resulting in the best possible finish and enhanced vehicle protection.
